

## **BRAD'S EARLY SIX AND FOURS UNOFFICIAL DRIVING TIPS VERSION 2**

### **Non freeway Route – Holiday Inn Express Hendersonville to Hilton Downtown Nashville**

Note: You can't actually park at the Hilton unless you have snack or drink at the Palms restaurant and use their free valet parking but it is central the action on lower Broadway and there is lots of nearby parking.

**ROUTE:** Turn left out of the hotel parking lot onto Main St (AKA Johnny Cash Parkway, US31E, later Gallatin Pike and even later Gallatin Rd and another Main St.)

Travel about 17 miles and then left on 10<sup>th</sup> St. Before 10<sup>th</sup>, you'll see the library building on your left. Just as you start a curve to your right and immediately after the paid parking lot on the left, turn left onto 10<sup>th</sup> St.

Travel about .5 miles on 10<sup>th</sup> then at the Shell, easy right onto Shelby Ave

[See parking options below]

Travel 1.8 miles on Shelby (later Korean Veterans Blvd) then right turn on 5<sup>th</sup> Ave S.

Travel about .2 and turn right at Symphony Pl which is the Hilton parking lot.

**PARKING:** For parking, there are many options, although for first timers, it can be a nightmare. There are many lots with ticketed parking from meters and they can be very expensive. The closer to town you get, the more expensive they are. If there is an event in town, prices are very high.

\*\*After 6pm or on Sundays, roadside parking with meters is free.

\*\*Before 5pm and no special events on, I choose the Convention Center parking (\$10). Continue on Shelby (later Korean Veterans Blvd) past 4<sup>th</sup> St and turn right into the Convention Center.

\*\*After 5pm on any day, I choose the Nashville Library parking lot on 7<sup>th</sup> between Commerce and Church St. Just continue on Shelby (later Korean Veterans Blvd) past 4<sup>th</sup> to Rosa Parks Blvd (roundabout) and go right (first exit) on Rosa Parks Blvd then right on Commerce then right on 7<sup>th</sup> and left into the multi-story parking lot.
